

It's our 10th Anniversary!

We are celebrating!

Boys & Their Toys is the Arkansas Prostate Cancer Foundation's (APCF) signature, annual fundraising event. Hundreds of guests enjoy dinner and cocktails while they take part in fun sports-related activities and silent and live auctions. The event honors local survivors, obtains media to spread awareness and gives an opportunity to educate attendees about prostate cancer.

This year's event spans three days:

Thursday, September 9

4:00pm-7:00pm

**Free Prostate Cancer
Education & Screening**

Landers Toyota, Little Rock

Friday, September 10

6:30pm - 9:00pm

**Boys & Their Toys Dinner
and Auction**

UALR Jack Stephens Center

Saturday, September 11

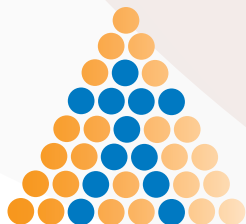

10:00am-2:00pm

Pigskins & Prostates Tailgate Party

**Arkansas Razorbacks at
War Memorial Stadium**

As a 501 (c) (3) non-profit, public charity, tax ID # 31-1694978, the Foundation counts on private and corporate financial support in order to continue our screening and education efforts. Donations are tax deductible to the full extent allowed by law. This year is the APCF's tenth anniversary of providing services statewide to help save lives and preserve quality of life for the men of Arkansas. We want to continue to do so ... including your fathers, brothers, sons and possibly, even you.

Please join us for these great events September 9, 10 and 11, 2010.

**Arkansas
Prostate Cancer
Foundation**
